

# DND ONE-SHOT WEDNESDAY

## SETTING

Your characters are the royal knights of **King Prilbus**, an elite and prestigious group, sent on only the most important tasks in the name of the kingdom.

Recently a mountainside village named **Polentium** on the edge of the kingdom was destroyed by a juvenile worm, the king has sent you to deter the worm from advancing into other settlements, and to retrieve his favorite dog **Shatshouka**, which happened to be at a dog show in a nearby area at the time of the attack.

## CHARACTER CREATION

Please share your character sheet with everyone before Wednesday! That includes magic items and horsey details.

Character level	10
Allowed classes/races	Anything from the PHB, ask about others
Starting items	Anything non-magical from the PHB, see below for magical items
Character stats	Modified standard array: (6, 17, 16, 9, 14, 11)

## HORSE

As you are knights, each of you has a magical horse, please name this horse, we will assign magical horsey powers at the start of the session.

## MAGIC ITEMS

Everyone can pick 2 uncommon, 2 rare and 1 Very rare magical item for their character ([Click here](#) for a list).

I reserve the right to veto some items (e.g. The deck of many things).

## BACKGROUND

When creating your character, please answer the following questions about their backstory:

- How did they come to be a knight?
- How did they come to own this magical horse?
- What is their opinion of **King Prilbus**?
